

Boston Builders: 6 High-End Home Projects

presented by: **HAWTHORN BUILDERS**

Meet the company that can construct your dream home.

In 2005, after several years working in the real estate industry, Needham neighbors Mathew Roth and Ryan McDonnell took a leap of faith and started **Hawthorn Builders**, named for their homes on Hawthorn Avenue. In January 2007, they bought a single-family home, tore it down, and built their first house. Since then, the company has seen the construction or renovation of more than 100 properties in the greater Needham and Boston areas.

“Hawthorn Builders continues to evolve in this ever-changing construction industry,” says Roth. “We constantly reshape and refine our customized system that is designed to meet the high expectations of our most discerning clients.”
